Misuse of HPD Documents and Logo

PRISTINA - It has come to our attention that companies and individuals both inside and outside Kosovo without authorization are using HPD documents and an outdated logo (as shown) to gain personal profit facilitating real estate transactions in Kosovo.

This logo is no longer valid

HPD is not mandated, hence not engaged in sales of any real estate. We therefore alert the public of and advice against such use of HPD-documentation.

We encourage everyone approached by individuals using HPD-documentation to facilitate sale of real estate, to contact HPD for clarification at the offices listed below.
